

TECH RIDER LE CRABE

I need :
2 DIS for my audio output
and
one line for the voice
+
1 MIC (SM58) and his cable (5 meters minimum)
or HF
+
3 monitors on stage

What I do is NOT a DJ set or a Live act but a performance so
I PLAY ONLY IN FRONT LINE
and
**STAGE LIGHTING SHOULD ALLOW THE AUDIENCE
TO SEE MY FACE**
